

JULIET JONES - Founder & Chief Financial Officer

Formerly holding roles as President, Chief Executive Officer and Chief Financial Officer of Peace Arch Entertainment (AMEX:PAE), one of North America's premier producers and distributors of television and motion pictures, Juliet Jones brings an impressive background in management, corporate finance and entertainment to the company. During her 13 years with Peace Arch, she was integral to their emergence as a world-class media company, which during her tenure produced over 200 hours of dramatic and documentary/lifestyle television programs and grew to earn over \$55 million in annual revenue. Ms. Jones continues to serve on their Board of Directors. Subsequently, Ms. Jones became Chief Financial Officer of Webtech Wireless Inc. (TSX: WEW), where she lead \$50 million in financing transactions, listed the Company on the TSX and assisted in the capitalizing and building this established company from start-up stage to a market cap of over \$350 million. Ms. Jones is a Certified General Accountant.
